Immediate Past President

Gelen Del Rosario, MD

We, the Philippine Medical Association of San Diego, are a nonprofit charitable organization under 501c3. In this regard, our activity is geared towards the accomplishment of our humanitarian projects. PMASD is not exclusive of its own, we do extend our humanitarian projects at an international level. We humbly present to you the following projects:

Constitution & By-Laws Committee

Frank Dulin, MD

a. Maui Wildfire Emergency Assistance. A major portion of our proceeds will be donated to the victims and displaced families.

b. Medical Scholarship Program: We recently launched it last August 3, 2023 and one of the recipients is Manila Times College of Medicine in Subic Bay Philippines. As a way of giving back to our community, our plan is to distribute our funding to different medical schools in the Philippines.

Frank Dulin, MD

Candidates go through a rigid screening criteria and is expected to serve the community for one a half year for each semester of funding. We believe that the new graduate can make a difference in the life of the community as he /she will be expected to serve in the near future.

One semester is \$2500 and a whole year is \$5000.00. Entire four year of schooling is \$20,000.00.

c. Indigent Scholarship Program: We cater to indigent candidates wanting to continue their high school education or college education and lack the means financially to continue their schooling.

d. Installation of wells and water pumps in remote areas of the Philippines.

The cost is \$2500.00. We will commence the project on November 2023 and one of the first recipients will be the aborigines of the Philippines, the Aetas in Botolan, Zambales. They live in poverty and have poor living conditions. There is a high degree of malnourishment in their population and high rate of teenage pregnancy.

e. Live Healthy: Feed the Hungry Program.

We cater to the poorest of the poor areas and we selected a barrio in Tondo, Manila Philippines last February 2023. A good number of recipients, about 600, received free food through this program. They received a bag of goodies for a decent meal.

The project was also extended to Quezon Province, Philippines, mainly to indigent population.

Maria Flora G. Trimor-Tamoria, MD

It was a huge success and we plan to reach out to other remote areas of Philippines as well.

President Elect

Joseph Novencido, DO

f. Financial assistance to Pediatric Interventional Cardiology Department in Bicol Hospital, Philippines. We will provide financial assistance to children born with Congenital Heart Defects, those needing surgeries but have no means to do so and we are collaborating with different companies for interventional cardiology supplies.

Acting Secretary

Maria Theresa Villa, MD

f. Providing medical supplies and or materials that will assist Residency Training Program in Gordon Hospital, Olongapo City.

Acting Treasurer

Griselda Tiu, MD

We envision our projects in a large global scale program that will surely alleviate and help the living conditions of our countrymen. Our mission and vision: Wellness, Service and Compassion will only be fully accomplished with sponsors who generously support us and we are honored that you consider supporting our organization.

You are invited to sponsor a booth for a donation of \$2500-\$5000.00. Your contribution is for exhibit booth fee, educational purpose, as well as administrative and marketing cost of the program and dinner with entertainment for the event. In addition, the activity is designed for supporting and funding various humanitarian projects as stated above.

Immediate Past President

Gelen Del Rosario, MD

By your participation, your organization/company will be provided with an exhibit booth space. Attendees consist of doctors of different specialties, primary care physicians, nurse practitioners, physician assistants and other health care professionals directly involved in patient care and management. We are expecting around 200-250 attendees for this event.

Constitution & By-Laws Committee

Frank Dulin, MD

You will be issued a W-9 upon receipt of your contribution.
